Forecast for Saturday 12 Sep 2020

Weather: A cold and windy day with occasional showers, these most frequent across Ben Alder, Creag Meagaidh and Monadhliath. Ranges east of Aviemore will see the best of the drier conditions. Cold enough on the very highest tops for some wet snow or hail.

Chance of cloud free mountain/hill tops above 800m: 80%, some patchy cloudy between 500 and 700 metres at first across the west, and again in the evening. Otherwise only small amounts of low cloud across the east.

Visibility: Outside of showers and cloud it will be very good with good air clarity.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Met Office Aberdeen Meteorologist's View
Be prepared for summit gales, and gusts to 70 mph across the Cairngorm Plateau making for slow progress. Hail and wet snow will make for winter like conditions too.

Forecast for Sunday 13 Sep 2020
Weather: Creag Meagaidh, Monadhliath and Ben Alder are expected to stay cloudy through the day with some rain, this most persistent and heaviest in the morning before turning lighter and less extensive in the afternoon. Elsewhere dry with some sunny intervals breaking through. Turning warm in the sunshine at sheltered lower elevations.

Maximum wind: Southwesterly 50 mph on higher ridge and summits, and 70 mph or more over the Cairngorm Plateau.

Chance of cloud free mountain/hill tops above 800m: Little chance across the west with extensive low cloud below 600 metres, cloud more broken in the east, best of the cloud free tops in the northeast.

Visibility: Poor at times in the rain, otherwise mainly good.

Temperature: **Glens:** Plus 10 rising to 17 Celsius
At 800m: Plus 8 rising to 13 Celsius
Freezing level: Above summits
